

NFL FOOTBALL FUND RAISER

This is how the fundraiser works. Make a donation of \$20.00. Each donation receives a numbered ticket that has a **combination** of three NFL football teams for each of seventeen weeks of NFL football. Each week the **combinations are different**. You add the score of the three teams together and the highest score wins first; the second highest wins second; the third highest wins third and the fourth highest wins fourth. There are also three prizes for the lowest scores. **The week starts on a Tuesday and runs through Monday**. In case of ties, prizes will be **combined and split**. Only 4060 tickets will be sold. There are seven prizes awarded each week with four for the high score totals and three prizes for the low score totals. The prizes are: Highest score - \$500.00; Second highest - \$250.00; Third highest - \$100.00; Fourth highest - \$50.00. Lowest score - \$100.00, Second lowest - \$75.00, Third lowest - \$25.00. This is a total of \$18,700.00 awarded in the seventeen week period.

This year, there are also prizes of \$500.00 for the ticket with the most total points for all seventeen weeks and \$500.00 for the ticket with the lowest number of points for all seventeen weeks bringing the total payout to over \$20,000.00

To identify your teams for each week, look at the three letters listed beside the Week #. You will see numbers 1 to 17. The numbers are the weeks and the letters or symbols are the teams. You can identify your teams by locating the team listed beside the letter or symbol in the team list. See sample ticket on other side: The teams for week one are the Carolina Panthers (D). Cleveland Browns (G), and Pittsburg Steelers (Y). It looks like this:

WEEK #1. DGY

The scores of those teams are added together and if they are one of the four highest scores or the three lowest scores, then you are a winner. If your team has a bye week, the previous week's score will be used. Each ticket is good for the seventeen weeks. St. Boniface reserves the right to post the names of winners of the tickets we have sold.

All winners are listed in the St. Boniface Church bulletin each week, posted on the St. Boniface School web-site listed on the tickets (www.stbonifaceschool.org), and posted on the St. Boniface Parish web-site (www.stbonifacefortsmith.com). St. Boniface has a record of each ticket sold, each ticket's combination of teams, and will know who the winners are. Checks will be mailed after the end of each NFL week usually the Tuesday after the Monday Night football game.

THE 2017 NFL SEASON WEEK 1 STARTS ON THURSDAY, SEPTEMBER 7th

You can also make money by selling tickets. For every 50 tickets you sell, you will receive \$100. For every 25 tickets that has a parish or organization name added to the ticket stub, they will have their name entered in a drawing to win \$500. Any individual purchasing tickets in bulk will have their name in the drawing for every 25 tickets they purchase. Drawing will be held the first week in September.
